

Description

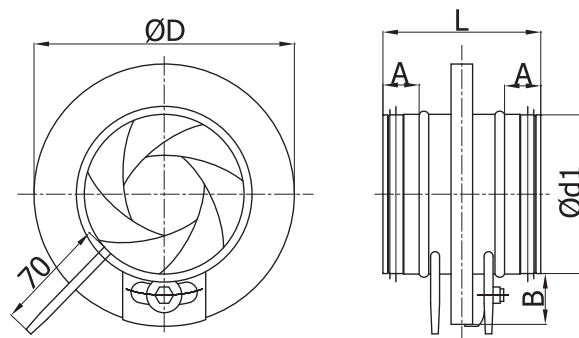

Registre GBL mise en place pour réglage fluide de la pression d'air dans la gaine de ventilation. Grâce à la fermeture à Iris l'étranglement ne provoque pas des turbulences et des bruits dans la gaine.

Exemple de désignation

Code produit : GBL - aaa

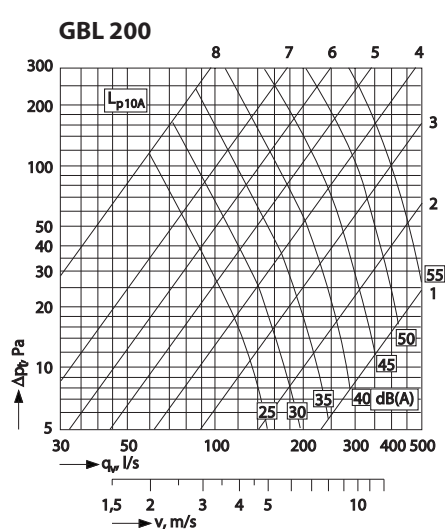

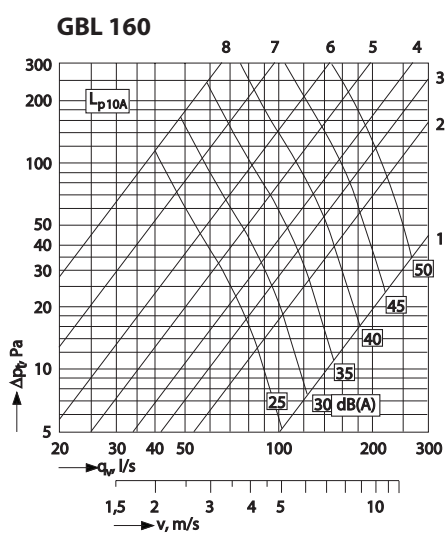

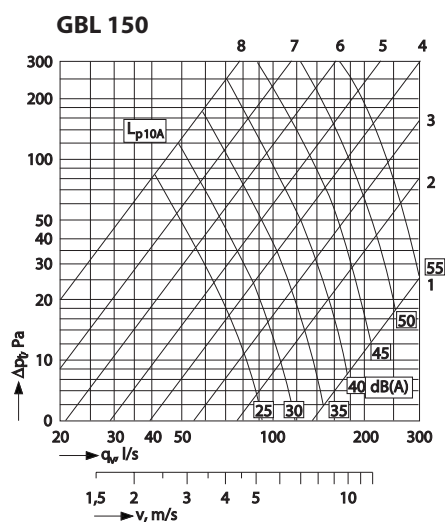

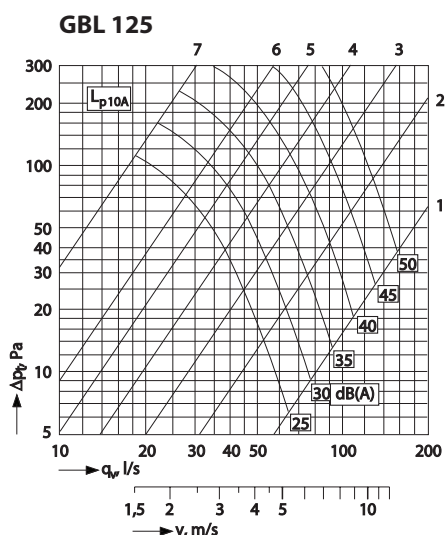

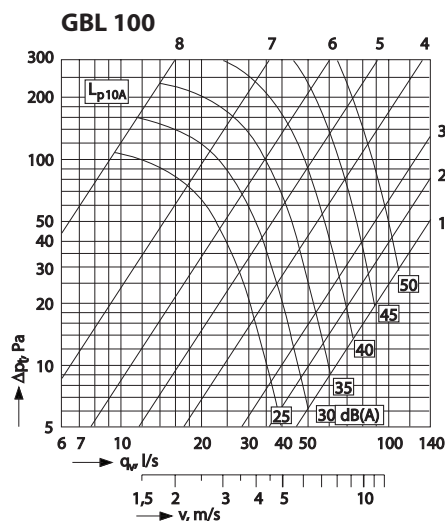

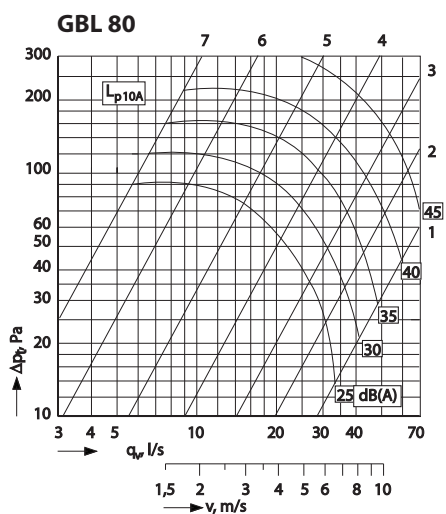

Type _____
 $\varnothing d_1$ _____

Dimensions

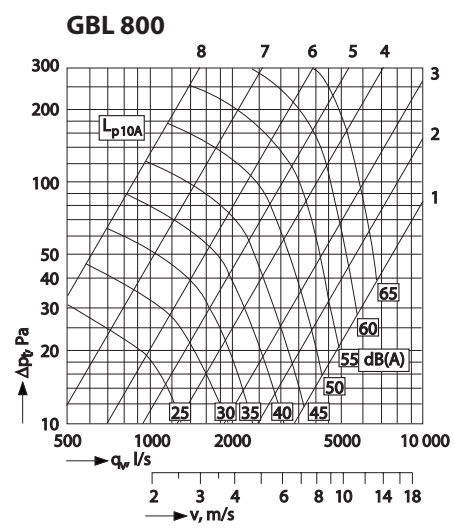

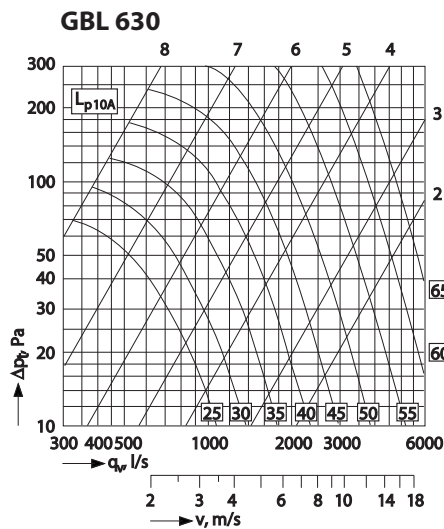

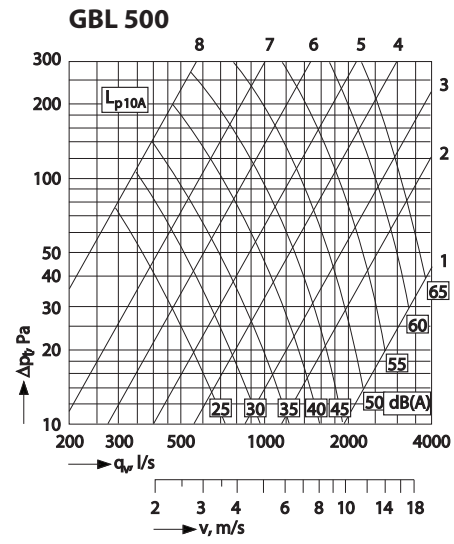

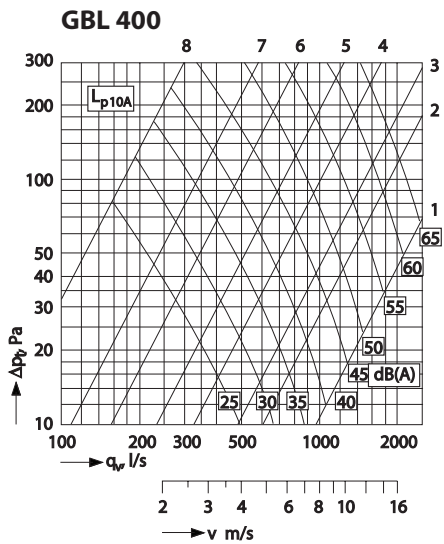

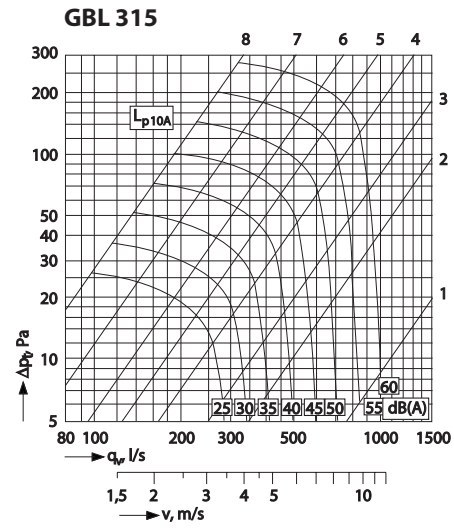

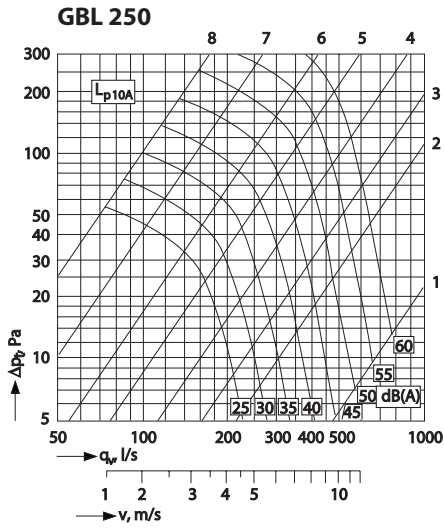

$\varnothing d_1$ nom [mm]	$\varnothing D$ [mm]	L [mm]	A [mm]	B [mm]	pois [kg]
80	125	110	30	22	0,5
100	165	110	30	32	0,5
125	188	110	30	32	0,7
150	230	210	40	40	1,3
